1. [REDACTED] were up to brief me on their personnel situation. With the exception of the new intercept activity in [REDACTED] they will soon be able to offset the [REDACTED] positions recently authorized the Office of Communications by the transfer of Project [REDACTED] and the elimination of the headquarters part of Project [REDACTED]. I asked them to send me a copy of their tabulation indicating this projection. 25X9A2

2. Gordon Stewart and [REDACTED] were in to present a paper recommending that the grades of senior secretaries in the Agency be established by the responsibilities of the offices rather than by detailed analyses of the functions performed by them. While we all agree that the detailed analysis of individual duties should be considered as a practical matter, establishing these grades at the same level across the board seems to be the most practical way of handling the situation. I approved of their proposal and asked them to draft a brief memorandum to the other Deputy Directors. H

3. [REDACTED] was in to say that he had talked to [REDACTED] about becoming Deputy Chief of the Commercial Staff and that [REDACTED] appeared to be very interested. I asked him to send me [REDACTED] file before he made a final commitment. 25X1A9a 25X1A9a 25X1A9a
